What is White Mountains Pride?

A celebration of the diversity of sexual orientation and gender identity for all lesbian, gay, bisexual, transgender, and queer (LGBTQ) people and their allies in the White Mountains region.

Who is The White Mountains Pride Committee? A group of volunteers from local towns and businesses with a mission of bringing celebration, education, empowerment, and inclusion to all LGBTQ people and their allies.

Why Pride? Since 1969 the month of June has been named Pride month, a time to recognize the continued importance that LGBTQ people have had on our history and culture, as well as to take a positive stance against the discrimination and violence the community faces. White Mountains Pride seeks to affirm New Hampshire's tradition of continuing the fight for equal rights for all citizens and fostering a community where all LGBTQ members feel valued, included, and safe.

What Happens during Pride Month? White Mountains Pride Month happens during June each year and includes a variety of activities for LGBTQ individuals, families, and their allies such as hikes, dances, movie nights, and theatrical productions. Pride Month will culminate in a free family-friendly festival at the North Conway Community Center and Park on the last Saturday in June from 10:00-4:00pm.

**The White Mountains
Pride Festival will
include:**

- Live Music
- Performers
- Food Trucks
- Games and Contests
- Resource Fair
- Vendors
- And more!

Who will attend the White Mountains Pride Month events and Festival? All LGBTQ members of the community, friends, family, and allies are welcome to participate. In 2019 our first ever festival drew more than 600 attendees and other events brought our overall attendance to more than 1,500 at various events. We expect continued success with plenty of opportunity to grow. White Mountains Pride will attract local residents as well as tourists from our neighboring cities and towns.

“We’ve needed a group like this to celebrate and support the entire community!”

“Acceptance is so important – events like these make people feel both good about themselves, allow the community to celebrate diversity, and help people feel safe to be themselves”

The Colors of Pride

Since June 1978 the Pride flag has been a beacon of Pride movements worldwide. Designed by Gilbert Baker, the flag debuted at the San Francisco Gay Freedom Day Parade. The six colors each represent a different meaning:

Red: life
Orange: healing
Yellow: sunlight
Green: nature
Blue: harmony
Purple: spirit.

Just as the Pride flag cannot be complete without each symbolic color White Mountains Pride depends on diverse community sponsors to succeed.
